IV. GENERAL PROVISIONS

A. Licensee agrees that notwithstanding the above or anything else to the contrary, all rights, in and to the Licensed Collections, shall remain the sole and exclusive property of Licensor; no rights or licenses to the Licensed Collections, other than those granted above, are granted, whether expressly, by implication or otherwise.

B. Either Party shall have the right to terminate the License granted herein by reason of default by the other Party in the performance of any of the material provisions hereof. If either Party defaults, the aggrieved Party may give a notice of such default to the Party in default, and the Party in default shall have thirty (30) days within which to remedy the default. Any such notice to either Party must be made via certified mail. If the defaulting party shall not affect such cure then this License shall terminate.

C. Licensee represents and warrants that it has all necessary power and authority to enter into and fully perform this License; that it has and shall continue to exercise diligence and care in connection with the rights granted herein, sufficient to ensure that the rights exercised shall not be defamatory and shall not violate or infringe upon the copyright, trademark, privacy, creative or other rights of any person, firm, corporation or other third party by reason of distribution, exhibition or other use. Licensee agrees to indemnify and hold Licensor harmless from and against any and all claims, damages, liabilities, costs and expenses (including legal fees) arising out of any breach of the above warranties and representations.

D. Licensor represents and warrants that: (i) it has all necessary power and authority to enter into this Agreement and to perform as required by this License; (ii) it has all necessary power and authority to grant the rights granted therein; and (iii) this License, when executed by Licensor, will be binding on Licensor. Licensor agrees to indemnify and hold Licensee harmless from and against any and all expenses, claims, damages, liabilities, fines, penalties, losses and judgments (including all court costs, attorneys fees, and any other costs and expenses incident hereto) arising out of a breach of

(i), (ii) or (iii) immediately above. Licensee agrees to notify Licensor promptly, in writing, of any legal claim or action of which it has knowledge, which is in any way related to this License or performance hereunder. Licensor does not warrant that the Licensed Courses will meet Licensee's requirements. The Licensed Courses are provided on an "as is" basis without warranty of any kind, either express or implied.

E. The above-stated warranties, representations and agreements shall exist for as long as any claims out of which they arise may be brought.

F. This License shall be deemed made and accepted in and governed by the laws of the State of California. The state and federal courts situated in the State of California shall have non-exclusive jurisdiction and venue to hear all disputes arising out of or related to this License.

G. Any assignment of this License or any rights or obligations hereunder by Licensee, without the prior written consent of Licensor, shall be null and void and of no effect and a material breach hereof.

H. If any of the provisions in this License shall for any reason be declared or held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this License shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

I. Notices under this License shall be in writing and shall, for all purposes, be sent by registered or certified mail, return receipt requested, postage prepaid, properly addressed to the address for either party as may be specified by such party for purposes of this License.

J. No Waiver of Rights. No delay or failure by either Party to exercise any right under this License, and no partial or single exercise of that right, shall constitute a waiver of that or any other right, unless otherwise expressly provided herein.

K. This License, including all Exhibits hereto, is the entire agreement between the parties hereto and supersedes all previous letters, understandings, or verbal agreements which relate to the Program. No modification of this License shall be binding on the parties hereto unless such modification is in writing and duly signed by each party.

IN WITNESS WHEREOF, the Parties have caused this License to be executed by their duly authorized representatives, which shall become in force as of the Effective Date.
