صف العربية ١: وحدة ٣.٢

_____ إسمي [Name]

_____ التاريخ [Date]

[Free Time in America]

وقت الفراغ في أمريكا

Group: _____

Instructions: You need to find out about your classmates' free-time activity preferences so that you can compare them with the Saudi Arabian students' preferences, and choose activities that both groups will like for the Saudi students' visit.

Talk to 10 classmates to find out whether they do the two free-time activities in your chart. Speak only بالعربي [in Arabic] and be sure to always use complete sentences!

When you talk to each person:

- Greet them
- Ask how they're doing
- Ask your two questions about two different activities and write down their answers (a check if they do that activity in their free time, an X if they don't)
- Thank them and say goodbye
